

The Nova Scotia Advisory Council on the Status of Women and Nova Scotia Community College invite you to a reception to honour women who work in trades and technology on **International Women's Day.**

1:30 to 3:00 pm
Thursday, March 8, 2007
CNC Machining Shop
Room D119
Institute of Technology Campus
Nova Scotia Community College
5685 Leeds Street
Halifax

Join us for coffee and chocolates, and to meet some of the women who are paving new career paths for working women. Plan to be pleasantly surprised, and perhaps even slightly shocked as women talk about their work in science, trades, and technology.

Please feel free to share this invitation with your colleagues or others who educate, work with, or employ women in trades and technological fields and with women studying those fields.

And please let us know by March 5 if you'll attend by calling Donia or Amanda at 424-8662, or by e-mailing to krowchde@gov.ns.ca.
